POLANENS

# 11 International Handball Grass Santa Pola

21th 22th and 23th June 2024

# About us...

The Tournament breaks records year after year and the number of participants has increased in each edition:

1,350 athletes participated in the 2023 edition with its tenth edition. Nearly 140 teams gathered, coming from the province of Alicante, Valencia, Murcia, the Basque Country and even from outside our borders, giving the Event an international character.

Our Santa Pola Handball Grass Tournament has had the participation of clubs from almost the entire province of Alicante, (Elche, Elda, Monovar, Altea, Alicante, Torrevieja, Petrer, Benidorm, Torrellano...), outside our province such as Baló a Má Canals, Zarautz, BM Cieza... or even foreigners like the Asian Bangla Club or Sweden Team from Sweden.

With the celebration of the tenth edition, we can say that our event is among the most important handball events in the Valencian Community due to its organization, originality and fun. For this reason, we invite you to participate in the 11th edition that will take place on June 21, 22 and 23, 2024.
